

Announcement

The 7th International Symposium on Southeast Asian Water Environment **Special Session on "Water Reuse Technology in Tropical Regions"**

Organized by Water-InTro (JST-JICA Project on "Research and Development for Water Reuse Technology in Tropical Regions")

Date & Time: 10:30-12:30 on 29 October, 2009,

Place: AIT Conference Center

A special session of JST-JICA Project on "Research and Development for Water Reuse Technology in Tropical Regions (Water-InTro)" will be organized in the 7th International Symposium on Southeast Asian Water Environment, which will be held on 28-30 October, 2009 at AIT Conference Center, Thailand.

Program (tentative):

10:30	[M.C: Dr. Ryo Honda (University of Tokyo)] ➤ Welcome Address ➤ Opening Address by Mr. Boonchob Suthamanaswong (Director, Environmental Research and Training Center (ERTC))
10:40	➤ Outline of the Project by Prof. Kazuo Yamamoto (University of Tokyo)
10:50	➤ Project Reports [20 min. + 5 min. discussion each] <ul style="list-style-type: none">- "Effective management and monitoring system for community-based water reuse " by Mr. Mesak Milintawisamai (ERTC)- "Water quality assessment of water resources in community for development of water quality information platform" by Prof. Hiroaki Furumai (University of Tokyo)- "New energy-saving decentralized water reclamation and reuse system (tentative)" by Dr. Chavalit Ratanatamskul (Chulalongkorn University)- "Treatment performance and microbial characteristics in two-stage membrane bioreactor treating partially stabilized leachate" by Dr. Chart Chiemchaisri (Kasetsart University)
12:30	Lunch Break
