

First Announcement and Call for Papers
7th International Symposium on
Southeast Asian Water Environment
Asian Institute of Technology Conference Center, Thailand
Oct 28-30, 2009

Organized by The University of Tokyo and Asian Institute of Technology

Invitation

The 7th International Symposium on Southeast Asian Water Environment will be held in AIT Conference Center, Thailand on October 28-30, 2009.

This symposium will bring together researchers, government officials, consultants and other professionals involved in studies on the Southeast Asian water environment. The symposium program will include presentations together with interactive discussion. Additionally, the symposium will provide excellent networking opportunities to share and discuss results of recent research/management of projects.

Who Should Attend?

The symposium is designed for people who are interested in learning/exchanging information about current research or activities in Southeast Asian water environment, including researchers/experts, government officials, non-government organizations, community-based organization, aid agencies and community based researchers, water-related industries, etc.

Call for Paper

Submissions from academics and practitioners on Southeast Asian water should focus on the following topics:

- ✓ Water resources
- ✓ Water environment
- ✓ Wastewater treatment
- ✓ Water-related health issues
- ✓ Urban water management
- ✓ Groundwater
- ✓ Aquatic ecosystem
- ✓ Water related industries
- ✓ Water management business
- ✓ Other water-related issues

Important Dates

31 July 2009: Paper submission deadline (for oral and poster presenters)

First of September 2009: Acceptance notification

28-30 October 2009: Symposium

Submissions

Manuscripts for oral and poster presentations should be prepared according to the specific format .

For required documents as well as further information, please visit our website at <http://www2.ir3s.u-tokyo.ac.jp/SEAW2009/> or email to the secretariat.

All documents should be submitted via email to asiasympo2009@gmail.com by 31 July 2009.

Alternatively you can fax the documents if you have difficulty to send them via email.

Financial Assistance

Full support (a round trip ticket, accommodation, and registration fee) or partial support (accommodation and registration fee only) will be provided for selected presenters (both oral and poster) from low income countries. Presenters from high income countries will not be supported even though they originally may have been residents of low income countries. Income classification is based on IWA 2009 Country Classification, please access to their [web page](#) for detail. In principle, presenters from industries will not be supported.

Publication

Selected papers will be published in book series "Southeast Asian Water Environment" from IWA Publishing, UK.
