UPES, Dehradun, India

Prof. Absar A. Kazmi
IIT Roorkee,
India

Convenors

We are pleased to invite you to the 5th International Forum on Asian Water Environment Technology (IFAWET-5)! This fantastic event will be held at LP Villas in Dehradun, India, from August 6 to 8, 2025, and is being organized by the University of Tokyo, Japan; UPES Dehradun, and IIT Roorkee, India.

IFAWET-5 is all about bringing together scientists, practitioners, policymakers, and industry experts to share ideas and discuss the latest advancements in water and environmental technologies. We want to foster conversations on crucial topics like water resource management, climate resilience, sustainable technologies, and innovative solutions. The conference will feature keynote addresses, technical sessions, panel discussions, and networking opportunities, facilitating dialogue on topics such as water resource management, climate resilience, sustainable technologies, and innovative environmental solutions.

We warmly invite researchers and professionals to submit abstracts for research papers, case studies, and creative solutions – selected works will be considered for publication in prestigious journals! For detailed submission guidelines, registration information, and updates regarding the event, please visit the official website or contact the organizing committee at ifawet@gmail.com. We eagerly anticipate your participation in shaping the future of water and environmental sustainability at IFAWET-5.

Symposium Outline

Date: 6th (Wednesday) - 8th (Friday) August 2025

Venue: LP Villas, Dehradun, Uttarakhand, India

Format: Oral/poster presentation and Flash talk

Registration Fee*:

Foreign Delegates: INR 10,000

Indian Delegates: INR 7,500

Young Researcher (< 35 years): INR 5,000

* Includes 3 lunches and 1 dinner

Conference Themes

- Innovations in water treatment and emerging contaminants
- Climate change, hydrological extremes, and resilience
- Groundwater, pesticides, and watershed sustainability
- Governance, equity, and community engagement
- Urban systems, smart solutions, and circular economy
- Integrated approaches for sustainable water futures

Accommodation

Participants may avail nearby hotels at subsidized rates (on their own):

- [LP Villas, Dehradun](#)
- [Hotel V-One Pride, Prem Nagar, Dehradun](#)
- [Hotel Eleganza, Jhajhra, Dehradun](#)

Hotel LP Villas Hotel V-One Pride Hotel Eleganza

IFAWET 2025 Schedule

Day 1: 06 August 2025

- Opening Ceremony
- Parallel Session
- Conference dinner

Day 2: 07 August 2025

- Parallel Session
- Technical tour

Day 3: 08 August 2025

- Parallel Session
- Valedictory Session

Partner with Us: Be A Catalyst at IFAWET

Title Sponsor

₹ 500000

- Registration (includes conference lunch and gala dinner) for ten delegates
- Cover page in conference proceeding for promotions and advertisement
- Sponsor's name and logo on conference websites, banners, stationery items, etc., and one representative will be allowed to speak about their advancement in one session during the valedictory/inaugural/ special session
- Two exhibitor's display stalls will be provided during the conference (4 m x 3 m in size)

Diamond Sponsor

₹ 100000

- Registration (includes conference lunch and gala dinner) for five delegates
- Appearance as sponsor and one exhibitor's display stall during the conference (4 m x 3 m in size)

Gold Sponsor

₹ 50000

- Registration (include conference lunch and gala dinner) for three delegates
- One exhibitor's display stall during the conference (4 m x 3 m in size)

Call for papers

Conference Topics

The following subjects related to Asian water environment are selected as the topics. Other topics related to water environment are also welcome.

- Advances in membrane technology
- AI-based prediction of pesticide runoff
- Appropriate technologies for water and sanitation
- Circular economy in water management
- Citizen science and the environment
- Climate change and water environment
- Coastal and marine water environment
- Emerging contaminants and remediation
- Groundwater quality and contamination control
- Health-related water issues
- Hydrological extremes and disaster risk reduction
- Monitoring and modeling of the environment
- Nature-based solutions for pesticide pollution control
- Pesticide fate and transport modelling
- Smart water systems
- Socioeconomic aspects of water management
- Urban water management
- Water-energy-food nexus
- Water reuse and desalination technologies
- Water governance, community and equity
- Wastewater treatment and management
- Water supply and treatment
- Water environment issues and sustainability
- Water environment policy

Call for Abstract

- Abstract of oral presentations should be prepared according to the following template:
- Download the template (Details are written on the Word file)
- Abstract Submission starts: 1st April 2025
- Deadline: 15th July 2025
- A copy of response will be sent immediately as an acknowledgement
- Submit your abstract at: IFAWET-5 Abstract Submission Link

Special Issue

- Selected abstracts will be invited for full paper submission in the special issues of: ES&T Water (ACS) and Case Studies in Chemical and Environmental Engineering, Groundwater for Sustainable Development* (ELSEVIER), and Journal of Water and Environment Technology* (JSWE).

* Under consideration

For Presenter

Awards

ACS will support five best poster prizes. The winners will get ACS journal certificate. A 1 Year ACS Membership [cost covered by ACS].

Springer will support best oral and poster prizes. For winners: e-book vouchers of 300 EUR, and conference attendees: 20% discount on eBooks.

Schedule for Presenters

Abstract Deadline	15.07.2025
Registration Deadline	21.07.2025
Program Announcement	31.07.2025

Guidelines

Presentation Duration:

- Oral Presentations: Limited to 10 minutes, followed by a 5-minute Q&A session.
- Flash Talks: Limited to 5 minutes, with no Q&A session. (Flash talk presenters only)

Please ensure your presentation fits within the allocated time for questions and smooth transitions between presenters.

Poster Presentation Guidelines: [Click me](#)

*All participants must arrange for their poster printing in advance.

On-site printing support will not be available.

File Submission:

Upload your PowerPoint file here using the following naming format:
"Abstract ID_Name" (e.g., A-000_Smith Alex).

Presentation Format:

If your presentation contains multimedia (audio or video), ensure files are properly embedded and tested on a Windows PC prior to submission.

Registration & Fee Payemnt

Fee and Payment Method

Please pay in advance.

• International Remittances

Details for remittance from foreign countries are as follows

Beneficiary's Name UPES

Purpose IFAWET2025

Bank Name Yes Bank

Bank Account SB – 011594600000224

Branch Code 000115

Branch IFSC Code YESB0000115

Swift Code YESBINBB

Branch Name Ground Floor, 56, Rajpur Road, Dehradun

• Payment Details (India)

<https://paytm.me/PYT MPS/4gfEOzP>

Payment Deadline

Monday. **30.06.2025**: for presenting participants **with travel support** *

Monday. **21.07.2025**: for other presenting participants *

Wednesday. **30.07.2025**: for other participants

* If you do not register by the above deadline, your presentation could be **removed from the final program**.

Cancellation Policy

If you find that you cannot attend the symposium after registration and fee payment, please contact the symposium secretariat by email. However, there will be no refunds of your registration fee after your registration.
